

Want to travel within the EU?

That's possible
with the
CovidSafeBE app

CovidSafe.be
Everything about your Covid certificate

What is a Covid certificate ?

A Covid certificate proves that you are Covid safe. This facilitates passenger traffic between EU member states, for instance if you're going on holiday or on a business trip.

There are three types of certificates:

- 1 A vaccination certificate.
- 2 A test certificate of a negative Covid-19 test.
- 3 A recovery certificate for people who have recently recovered from Covid-19 following a positive Covid-19 test.

How do you obtain a Covid certificate?

Via the **CovidSafeBE app**, **website** or by **phone**:

BrusselsHealthNetwork.be

MyHealthViewer.be

Helena.care

02 214 19 19

From 9 am to 5.30 pm
