# 2. Updated features

## 2.1. New collectivity type: Youth camps

A new type of collectivity has been added: temporary. It is used for the youth camps of summer 2021.

A user can filter to only find the temporary collectivities

Chercher collectivités

 Temporaire (i)

And it is also possible to filter by the start date and/or the end date of the temporary collectivity :

- By start date: the start date of the temporary collectivity must be on the selected date or after
- By end date: the end date of the temporary collectivity must be on the selected date or before
